301 W 6th Street
Vancouver, WA 98661

8:00am - 4:30pm

Education

Educational breakout sessions
throughout the day from local
resources and partners

Exhibitor Fair

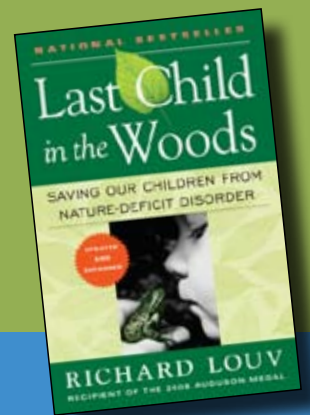

Designed to address the growing “nature deficit” in children of all ages, the *Nature Play Summit* will bring together leaders in Parks and Recreation, environmental, education and health care to help foster the values of nature play. Our goal is to provide strategic action plans for our communities.
