

Consider sponsoring an established event that is both popular, and beneficial to the community...

Parks Foundation

CLARK COUNTY

2012 Annual Luncheon

Each June, prominent leaders in the community join supporters of the Parks Foundation at a networking and informative luncheon, where we share our successes, challenges and plans for the future. The event features the presentation of the annual Florence B. Wager awards for excellence in service and dedication to parks and recreation programs and projects in Clark County, and the formal presentation of the year's Community Grants.

We are honored to have Mike Houk, executive director of the Urban Greenspaces Institute, as this year's keynote speaker. Houk is a leader in urban parks, trails, greenspaces and natural resources issues in the Portland-Vancouver metropolitan region.

*June 14, 11:30 a.m.
at the Vancouver Hilton*
